Michelle –

Thanks for your note and I don't think moving the call to start 15 minutes later will be problem on our end. I am copying Alexis Strauss and a few other Water Division colleagues about the need to have the call start at 3:45pm this afternoon rather than the planned 3:30pm. We will call-in to initiate the call at 3:45pm so if Sen. Pavley can call in to the following number and access code, that should work on our end. Thanks.

Hi Brent,

Senator Pavley is taking a meeting with another member of the Legislature at 3 pm and we are afraid it may last longer than 30 minutes. Is it possible to start the call at 3:45 pm, rather than at 3:30 pm?

Best,

Michelle

Michelle –

I have heard from our Executive Assistant, Abi Gaudario, and our Acting Regional

Administrator Alexis Strauss would be available for a call with Sen. Fran Pavley on **Monday, May 16th between 3:30pm – 4:15pm** to discuss and provide an update on our Underground Injection Control (UIC) program. Please confirm if that time still works for Sen. Pavley, and if so, a conference line for this call has been set up. Please let me know if Sen. Pavley will be dialing in at 3:30pm as we will need to initiate the call on our end at the start time for the conference line to work.

I look forward to hearing back and confirming a time for this call.

Thank you for your follow up message regarding how Thursday, May 12th will not work for a call with Sen. Pavley. I will need to check with Abi Gaudario on Monday regarding whether our Acting Regional Administrator Alexis Strauss is available on the alternate times you suggested, either on Monday, May 16th between 3:30pm – 5:00pm or what her availability is on Tuesday, May 17th and follow up with you on Monday.

Office of Sen. Fran Pavley

Michelle -

My colleague, Abigail Gaudario, Executive Assistant in our Regional Administrator's office passed along your request to me to follow up regarding the scheduling of a call between Senator Fran Pavley and our Acting Regional Administrator Alexis Strauss to discuss and provide an update on our Underground Injection Control (UIC) program. Abi has checked Ms. Strauss' availability and she has time on her schedule on **Thursday, May 12th between 3:00pm – 4:00pm**. Ms. Strauss is out of the office Monday – Wednesday and on Thursday morning, but will be back in the office on Thursday afternoon.

Please let me know whether this window of time will work for Sen. Pavley. Once we confirm the time for a call, I will follow up with a phone number for Sen. Pavley to call to speak with our Acting Regional Administrator Alexis Strauss. I look forward to hearing back from you.
